

Cave Springs Fire Dept.

P.O. Box 58
Cave Springs, AR. 72718
Phone 479-248-1177

The Cave Springs Fire Department responded to 36 incidents in May 2016. 125 man hours were utilized for these incidents. Below is breakdown of incidents by type and location:

	Cave Springs	Elm Springs	County	Mutual Aid
EMS	7	11	2	0
Structure Fire	0	0	0	1
Wild land Fire	1	0	0	1
Fire Other	0	1	1	0
Other	4	2	0	5

The Department held two regularly scheduled meetings. 44 man-hours of training were conducted topics were department business meeting and vehicle extrication.

Daytime personnel have continued to conduct hose testing, which we have been somewhat delayed with all the rain. They also conducted 2 station tours involving 6 adults and 3 children.

The department has 2 personnel that are just completing their EMT school and will be taken their certification exams soon. They will also begin firefighter standards school which will make them certified Firefighter 2 when completed.

The department did receive two new 24 foot extension ladders to replace the two that failed during annual testing. We also donated our old hydraulic extrication equipment to the Rocky Branch Fire Department. This equipment was still in running order, but is beginning to need repairs and is difficult to find parts for. Rocky Branch was excited to receive the power plant, spreader, cutter, and ram, especially since they didn't have any of this type of equipment.
