The Cave Springs Fire Department responded to 41 incidents in April 2016. 216 man hours were utilized for these incidents. Below is breakdown of incidents by type and location:

	Cave Springs	Elm Springs	County	Mutual Aid
EMS	11	12	7	0
Structure Fire	0	0	0	1
Wild land Fire	1	1	0	1
Fire Other	0	1	1	0
Other	2	0	0	4

The Department held two regularly scheduled meetings. 75 man-hours of training were conducted that included utility emergencies and hose testing.

Daytime personnel remained busy performing some of our annual hose testing. They also conducted 3 separate station tours making contact with 12 children and 8 adults. Personnel also performed a public education event at Shaw Elementary per the request of one of our citizens.

The month of May looks to be busy as well. We are striving to complete our annual hose testing that is required by National Fire Protection Association.

We are also planning on holding a fundraiser in cooperation with the Illinois Watershed on June 4. We are planning on having a cook-out on that day.
