### **MEMORANDUM OF AGREEMENT**

#### **2016 NORTHWEST ARKANSAS CONTOURS DATA DEVELOPMENT**

This Memorandum of Agreement (MOA) is established between the Northwest Arkansas Regional Planning Commission (NWARPC) and the \_\_\_\_\_ for the purpose of developing and making available one-foot contour data derived from recently acquired LiDAR for both Washington and Benton Counties.

The contour data will cover the unincorporated area of Washington County and the planning areas of selected cities in both Washington and Benton counties. The results of the project will be one-foot contour intervals and derived products.

The estimated cost for the contour data is \$45/square mile. The project will be administered by NWARPC who will deliver the contour products to participating partners.

Each municipality in Washington and Benton counties will be asked to contribute an amount based on the desired area of interest for developing the contours data. All participants will have full access and rights to the contours data without further charge.

Other entities will be asked to contribute to this project including but not limited to: utility companies, federal agencies, state agencies, state parks, federal parks, etc. Any funds collected that exceed the cost of the initial project will be kept in an account at the Northwest Arkansas Regional Planning Commission to be used for: (1) Data manipulation, storage, and distribution; (2) administration costs.

Based on the above conditions, the City of Cave Springs \_\_\_\_\_ hereby agrees to contribute the amount of \$ 495 \_\_\_\_\_

Payable to the Northwest Arkansas Regional Planning Commission no later than October 28, 2016 (unless other arrangements are made).

Please mail or email this signed agreement no later than September 26, 2016 to:
